

RP Support Limited

Visit us at
TCT 2010
Stand: M16

RP Support offers a seamless level of support to all users of Stereolithography equipment including:

- Laser head refurbishment
- Service and repair
- Upgrades
- Parts and materials
- Maintenance contracts

As a DSM Somos® materials' distributor, we can supply the full SL range and also offer upgrades to new materials for improved performance, including the Somos®NeXt material, most recently installed at Amtech Rapid Prototyping.

Care of our customers and professionalism of service is imperative and personal in everything we do.

Please contact us for further details.
